Emerald faceted pump bottles

HZ-EM-100ML / 100 mL

Open source photo

Sample photograph provided by the client

Photograph of this series. Match the selected option against a physical sample.

Three green bottles share an angled shoulder, gold-coloured pump and clear overcap.

Selection reference	HZ-EM-100ML
Requested option	100 mL
Measurement basis	Listed bottle volume. The source does not distinguish nominal fill from brimful capacity.

To confirm with the supplier

- Request the dimensioned bottle and pump drawing, including neck finish and dip tube length.
- Confirm pump output per stroke with the intended formula, wetted materials and overcap fit.

When requesting a quotation

Specify quantity by size, finish, preferred currency, delivery rule and named place. Ask for MOQ, sample and tooling fees, carton details and lead time.
