Grid-base bottle and jar series

HZ-GB-100ML / 100 mL

Open source photo

Sample photograph provided by the client

Photograph of this series. Match the selected option against a physical sample.

A grid pattern is visible through the clear base. The photograph shows gold-coloured lids and two pumps with transparent covers.

Selection reference	HZ-GB-100ML
Requested option	100 mL
Measurement basis	Listed bottle volume. The source does not distinguish nominal fill from brimful capacity.

To confirm with the supplier

- Request the bottle drawing with neck finish, height, width and component tolerances.
- Confirm nominal and brimful capacities, contact materials and closure fit on a filled sample.

When requesting a quotation

Specify quantity by size, finish, preferred currency, delivery rule and named place. Ask for MOQ, sample and tooling fees, carton details and lead time.
