Clear-overcap gold pump series

HZ-GH-120ML / 120 mL

Open source photo

Sample photograph provided by the client

Photograph of this series. Match the selected option against a physical sample.

Clear overcaps reveal the gold-coloured pumps. The two low jars repeat the transparent outer edge around their lids.

Selection reference	HZ-GH-120ML
Requested option	120 mL
Measurement basis	Listed bottle volume. The source does not distinguish nominal fill from brimful capacity.
Listed fitting	Plated pump with clear hood

To confirm with the supplier

- Request the dimensioned bottle and pump drawing, including neck finish and dip tube length.
- Confirm pump output per stroke with the intended formula, wetted materials and overcap fit.

When requesting a quotation

Specify quantity by size, finish, preferred currency, delivery rule and named place. Ask for MOQ, sample and tooling fees, carton details and lead time.
