Ruby red cream jar

HZ-RU-050G / 50 g · Size to confirm

Open source photo

Sample photograph provided by the client

Series image · individual size unidentified

A deep red lid meets a rounded jar that fades to clear at the foot.

Selection reference	HZ-RU-050G
Requested option	50 g · Size to confirm
Measurement basis	Listed jar size in grams. Actual fill depends on formula density and headspace.

To confirm with the supplier

- Request the jar and lid drawing with opening diameter, thread, tolerances and liner details.
- Confirm the stated fill weight with the intended formula, headspace and a filled closure test.

When requesting a quotation

Specify quantity by size, finish, preferred currency, delivery rule and named place. Ask for MOQ, sample and tooling fees, carton details and lead time.
